Business Crime & Financial Regulation

She has a wide range of experience in fraud litigation including large-scale MTIC fraud, VAT fraud, benefit fraud and Excise fraud. She is instructed in multi-handed cases of complexity and volume.

Ini also appears in the First Tier VAT Tribunals and is regularly instructed from early on in the proceedings. Her experience practising in crime complements this work and she is highly knowledgeable with regard to case preparation and presentation.

Professional Discipline & Regulatory

Ini has a Professional Regulation and Disciplinary practice. She appears in cases before the General Dental Council, General Pharmaceutical Council, Social Work England, General Medical Council and Health and Care Professions Council.

She accepts instructions to advise and to conduct hearings before fitness to practice, health and interim order committees. Ini has experience of misconduct, probity and lack of competence issues, and also applications for review.

Ini is able to draw on her experience in the fields of general crime and complex fraud. She has great experience dealing expert and lay witnesses, technical evidence and trial issues. Ini has a commendable ability assimilate and present complex arguments and evidence, meaning that she is perfectly placed in this area of practice.

She also undertakes work on behalf of Local Authorities and has developed a strong practice in prosecutions brought by Trading Standards and Environmental Health Services.

She is an appointed legal assessor (NMC) and legal advisor (ACCA & GOC).

Ini has been appointed to the General Dental Council panel (band B) and the London Boroughs Legal Alliance panel (band A).

Criminal Defence

Ini defends in serious criminal cases and has particular experience in cases of fraud.

She has been instructed in cases of serious assaults, robbery, kidnap, false imprisonment, rape, benefit fraud, VAT fraud, facilitation of illegal entry, money laundering, drugs offences (importation and supply).

Criminal Prosecutions - Private & Public

Ini prosecutes serious criminal case and has particular experience in cases of fraud. She has been instructed in cases of serious assaults, robbery, kidnap, false imprisonment, rape, benefit fraud, VAT fraud, facilitation of illegal entry, money laundering, drugs offences (importation and supply).

She accepts instructions in relation to Private Prosecution matters.

Cases of Note

Professional Discipline & Regulatory

General Dental Council (GDC):

Case involving allegations of non-consensual touching, sexual harassment and other unprofessional behaviours.

Case involving allegations that the Registrant, treated the patient, aged 94, between 2005 and 2015.

This was a case of supervised neglect and treatment without informed consent. Due to the

patient's health the case was entirely based on dental records, radiographs and appointment history to reconstruct the treatment provided.

Case where it was alleged that the Registrant had bullied colleagues and abused her position, attended work whilst unfit and stolen prescription medication from her place of work and also offered prescribed medication to colleagues.

General Pharmaceutical Council (GPhC):

Instructed on behalf of a Consultant Psychiatrist

Instructed on behalf of a Consultant Psychiatrist to resist an application for an interim order suspending him from practice where it was alleged to have prescribed excessive quantities of controlled drugs without proper review and contra clinical guidelines and the patients' interests. In excess of 10 patients in question.

Nursing & Midwifery Council (NMC):

Case involving allegations of assault on an 82-year-old dementia patient by a nurse (facts not proved).

Case involving a newly qualified nurse accused dragging a patient in a sheet across a residential unit and dishonest record keeping

No misconduct found

Case involving a nurse accused of dishonest and deficient record keeping.

Interim order hearing

Case involving a nurse accused of striking and shouting at a dementia patient in a care home.

Facts found proved: conditions of practice imposed.

Nurse accused of a number of failings.

Case involving a nurse accused of a number of failings including record keeping, incorrect administration of medication and undertaking insufficient observations.

Health Care & Professionals Council (HCPC):

Case involving a social worker accused of an inappropriate relationship with a foster carer and bias.

Case where the Registrant was accused of dishonesty, poor record keeping and dereliction of duty.

Local Authority

Royal Mail Group v London Borough of Hounslow

Instructed by Local Authority to prosecute the Royal Mail Group in relation to health and safety breaches. The breaches were found to be a significant cause of a serious non-fatal accident, in which an employee was struck by a 7.5 tonne delivery lorry. A fine of £1.6 million was imposed. All prosecution costs were recovered.

Business Crime / Fraud

R v B and others (Operation Surging)

Led junior in the prosecution of a £25 million money laundering conspiracy. The cash derived from excise duty evasion (alcohol). Complex company structuring with fourteen "shell" companies with sham Directors which were formed by the organisers and the proceeds of crime laundered through the company bank accounts and a corporate secondary layer. The series of three trials were prosecuted in 2019 into 2021 at Southwark Crown Court. Ini is also instructed in the resultant confiscation proceedings due to conclude in 2023.
