FEEDBACK FROM ONE OF ALEXANDRA'S CLIENTS.

Overview

Alexandra has developed a busy practice covering all matters of:

General crime.

Business crime.

Family.

Extradition.

Regulatory and professional discipline.

Here's what some of those who have worked with Alexandra have to say about her:

"She knows how to prepare a case and has an instinctive feel for good points and bad points. She keeps her eye on the ball. She is also naturally charming"

"Her opening speech was excellent, but her cross-examination was outstanding. It is fair to say that Alexandra courteously and kindly destroyed the defendant in cross-examination, a more vigorous approach would certainly have been counter productive. She gave a mature, convincing, skilful, careful and extremely effective performance"
